

Como enxergar raios X

How to see X-rays

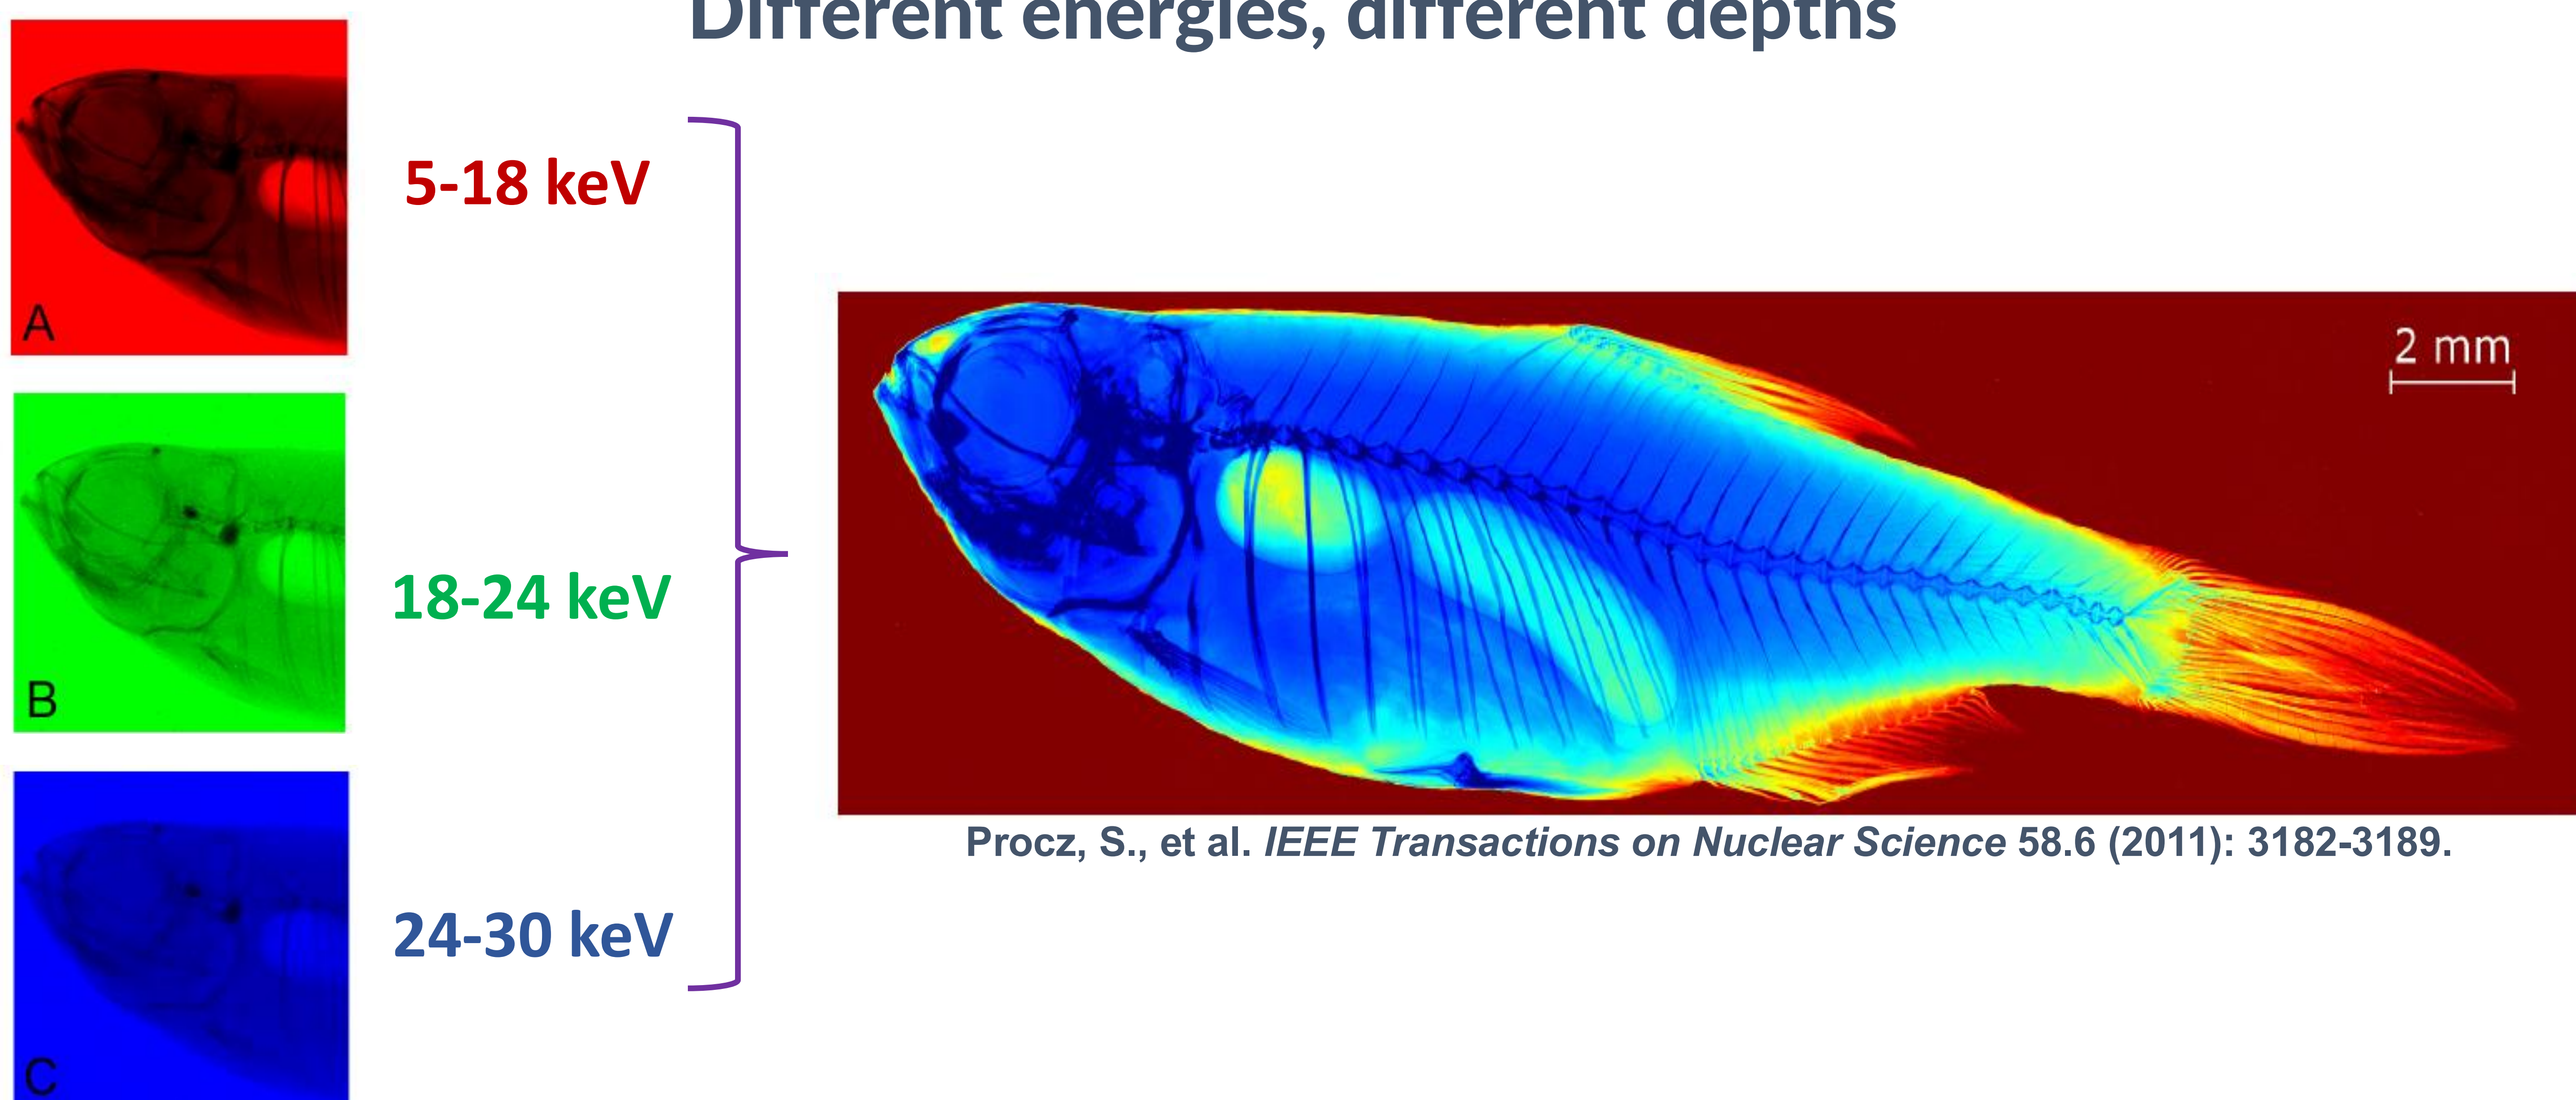

Detectors Group (DET) - LNLS

Espectro eletromagnético Electromagnetic spectrum

Energias diferentes, profundidades diferentes

Different energies, different depths

Procz, S., et al. *IEEE Transactions on Nuclear Science* 58.6 (2011): 3182-3189.

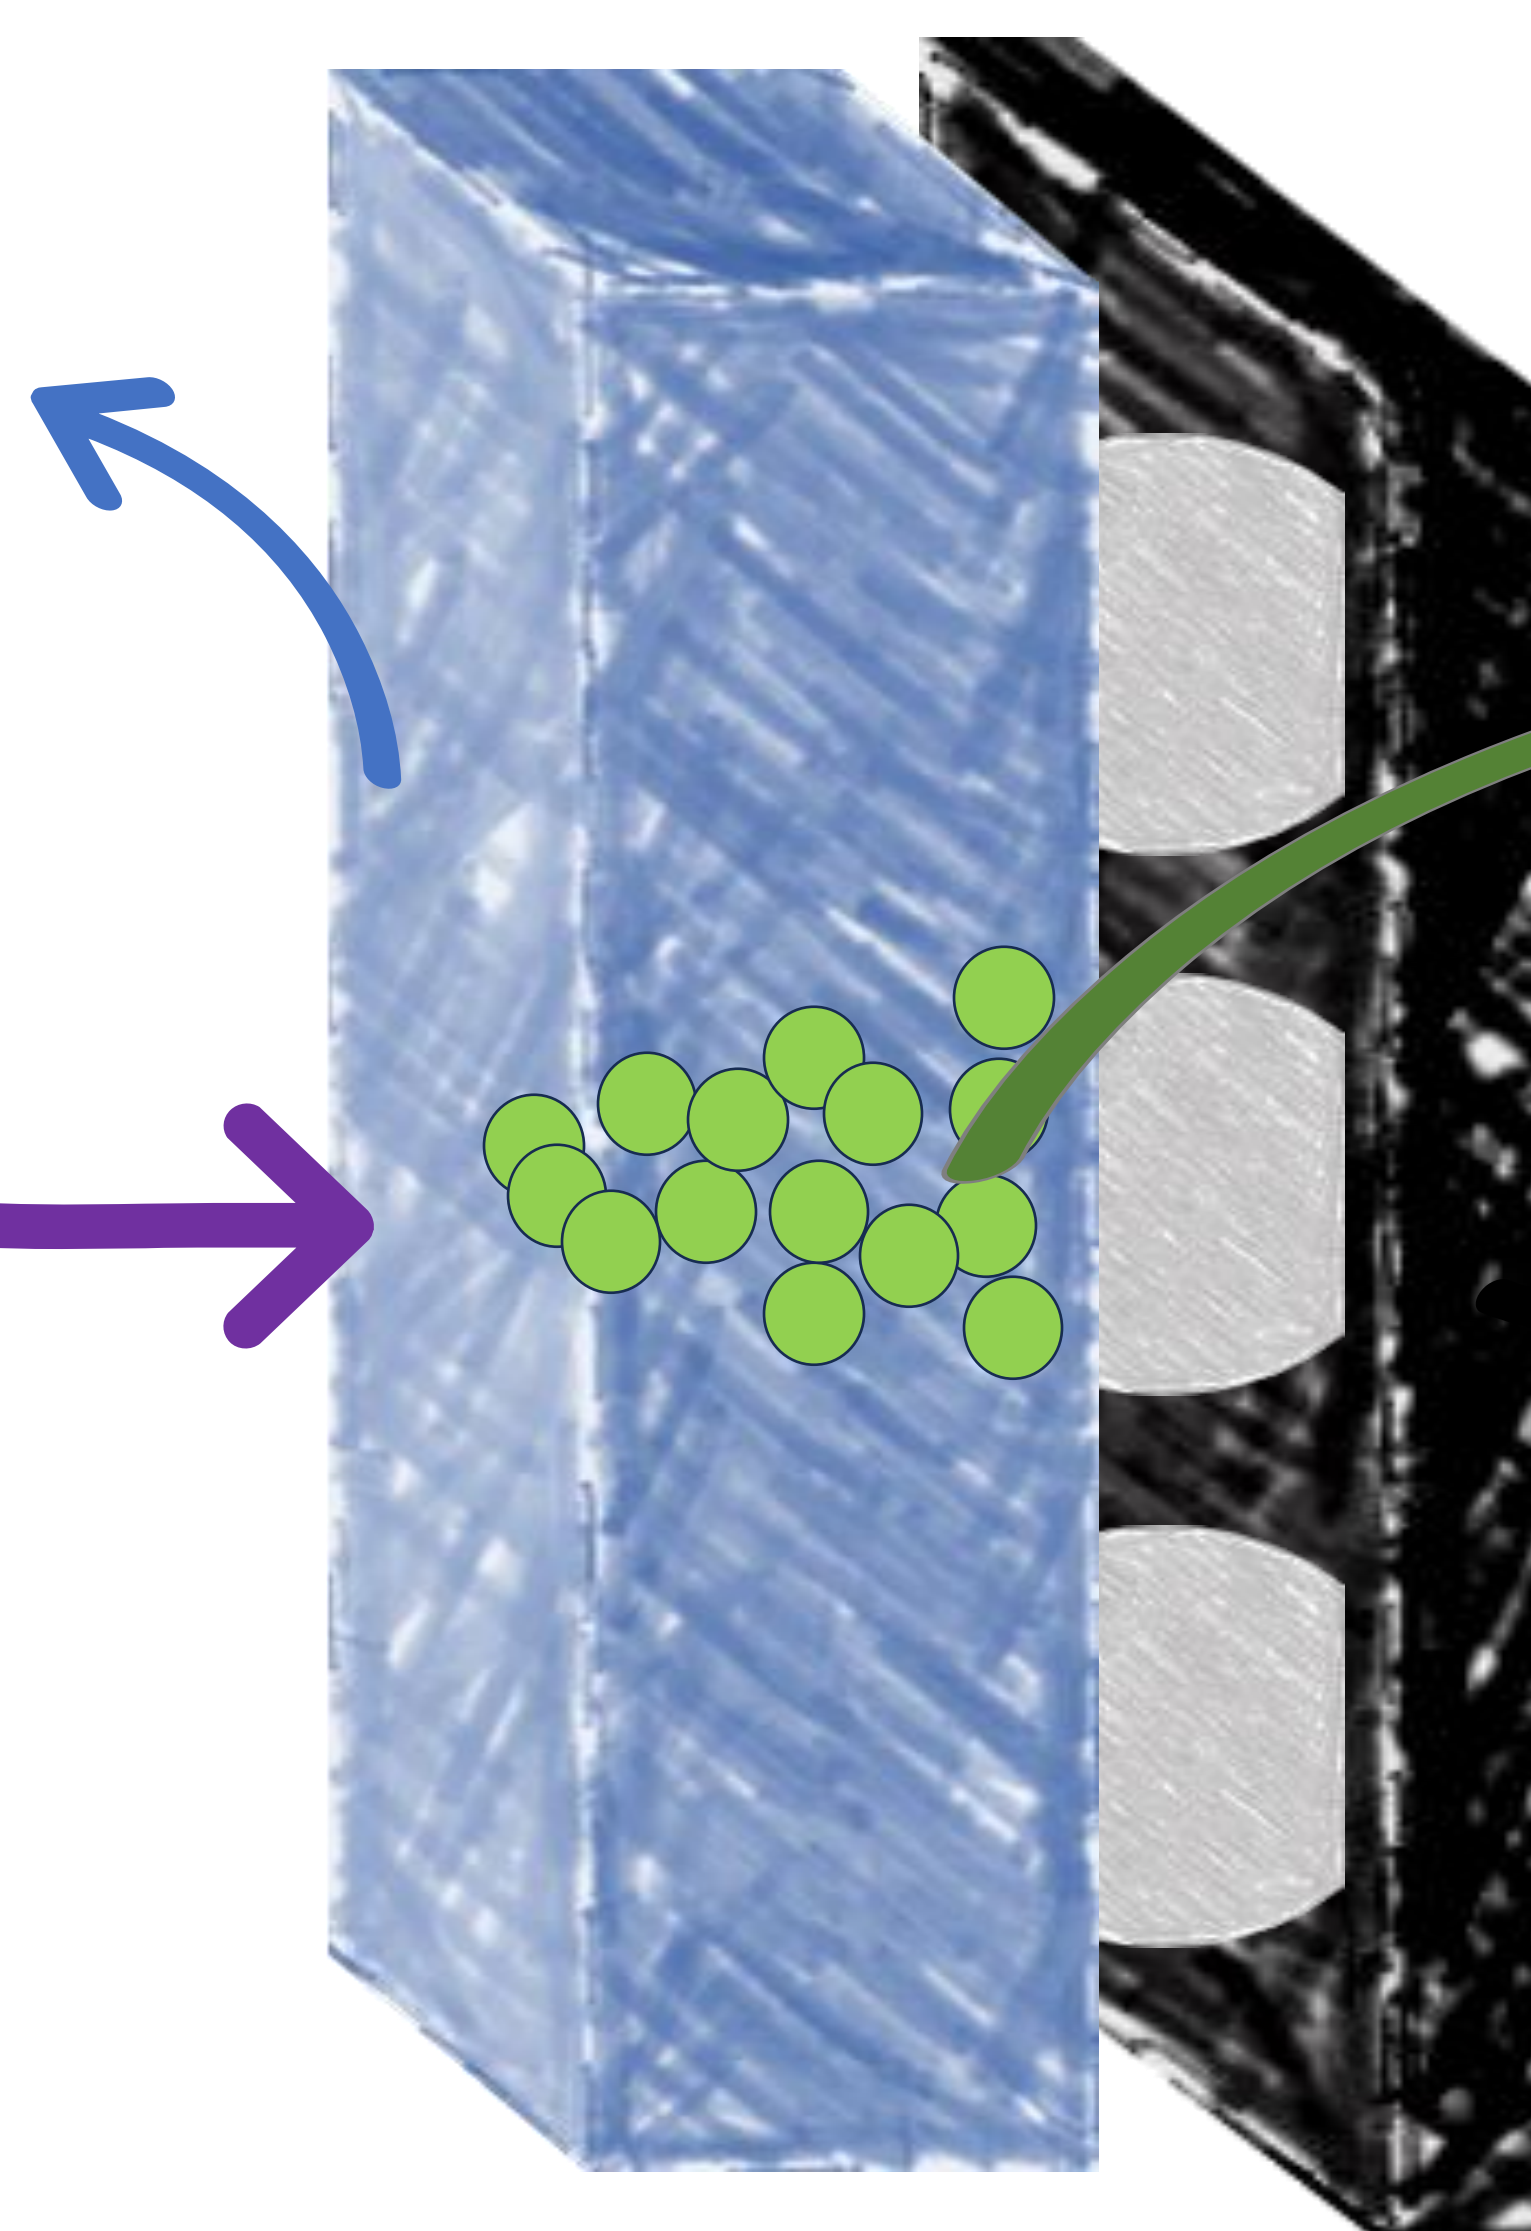

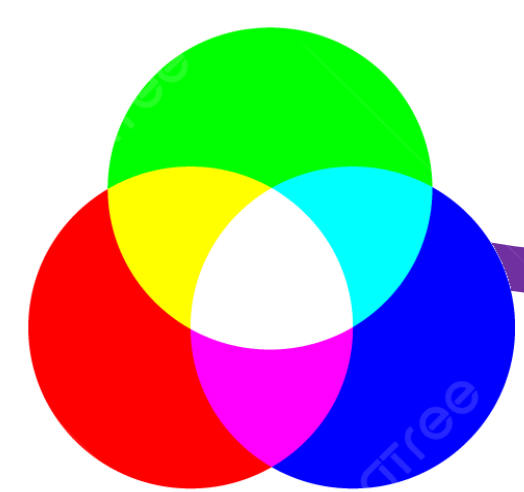

Detectamos as partículas de luz

We detect the light particles

Sensor semicondutor

Semiconductor sensor

Fóton: partícula de luz
Photon: light particle

Cargas elétricas

Cargas elétricas

Circuito pixelado para
leitura de cargas

Pixelated circuit
for charge readout
